TECU®  
ARCHITECTURE  
AWARD 2022

Architects, planning offices and plan designers anywhere in the world and students of architecture registered at a university or college of technology are entitled to participate in the award contest. Works submitted must have been realised in the period 2016 – 2021.

Registered students of architecture are entitled to submit student projects regardless of whether they have been realised or not, thereby taking part in the student award contest.

Participation in the contest implies full and unreserved acceptance of the conditions for participation in the contest, in particular recognition of KME's right to publish all materials on giving credit to the author.
